14. [REDACTED] LIAISON Called Chuck Snodgrass, House Committee on Appropriations staff, at [REDACTED] request to give him the details of the Director's news conference, which I attended. Snodgrass seemed sympathetic to the Director's position in the dispute with the House Select Committee, and asked for a transcript of the news conference. I told him I believed one would be prepared and that we would have one for him next week.

15. [REDACTED] LIAISON Doug Lea, Counsel to the Senate Judiciary Subcommittee on Constitutional Rights, called to inform me that the Director would be receiving from the Subcommittee a request for information regarding the Agency's relationship with the Office of Emergency Preparedness. 5. [REDACTED] EMPLOYMENT REQUESTS Tom [REDACTED] an intern in the office of Representative Millicent Fenwick (R., N.J.), called to express interest in the CIA Intern Program. I told him we would get information to him by sending it to Mrs. Fenwick's office or calling him there. [REDACTED] Office of Personnel, was advised.

6. [REDACTED] THIRD AGENCY Called Jack Marsh, Counsellor to the President, to bring him up-to-date on Senator Henry M. Jackson's (D., Wash.) request to the Director for sanitization of the 11 February 1975 transcript before the Arms Control Subcommittee of Senate Armed Services Committee concerning SALT ambiguities. I told him that Carl Duckett, DDS&T, was dealing with this matter with other Administration officials but that George Cary wanted him to know also. Marsh said he would also alert the National Security Council and their General Counsel. In response to his query I said under no circumstances did I believe that Senator Jackson would unilaterally override Mr. Colby's judgment on sensitive matters which must be deleted.

[REDACTED] LIAISON Met with Richard Kaufman, Chief Counsel, Joint Economic Committee, and returned galley proofs of the Director's appearance before the Subcommittee on Priorities and Economy in Government of 18 June to him. I discussed the editorial changes the Agency requested, with Ed Jacobs, of the Committee staff, and except for one minor point which will be discussed with [REDACTED] all requested editorial changes were accepted. Jacobs returned to the Agency, negatives of graphics which had been provided to the Committee. These were returned to [REDACTED]

9. [REDACTED] ADMINISTRATIVE DELIVERIES Delivered to each of our Agency Subcommittee staffs a copy of the Agency Employee Bulletin of 3 September on the subject of the House Select Committee on Intelligence. Included was a letter of the same date from the Director to Chairman Otis Pike (D., N.Y.).
